### Coffee Table Album

I use **ASUKABOOK** for my wedding albums. Prices range anywhere from \$500 to \$1,200 (depending on the number of photos, pages and size). These are a high quality professional coffee table books that lay completely flat in the seam so that the pages can be used as a full spread. These stunning books are showcased in a designable deluxe presentation box that includes a plush felt lining with book holder and DVD or CD place holder.

Below are some samples of a couple of books that we have designed. Also feel free to check out the website at **www.asukabook.com**.
